

(Paragraph)

Sub-heading: Nuclear challenge to world peace during 21<sup>st</sup> century

try to stay focused on the topic and refrain from adding extra info and it diverts the attention of reader from your main point such as the second sentence in explanatory part is redundant.

**Topic Sentence:** Nuclear challenge to the world peace during 21<sup>st</sup> century is higher than ever before.

**Explanatory Sentence:** The conflicts between nuclear armed countries are at rise ~~since years~~ for global dominance. Nuclear Proliferation by these rival countries is risking the world peace and order.

**Supporting point:** States use nuclear deterrence to intimidate the enemy and they threaten each other to use the nuclear weapons against each other.

**Example:** For example, the Russia-Ukraine war is the first conventional war after WWII in Europe. Ukraine is supported by NATO with artillery and other equipments. On threats of large scale destruction in Russia, Mr. Putin threatened the world to use tactical nuclear weapons against NATO states and they ~~have~~ <sup>Russia has</sup> already deployed nuclear weapons in Belarus. If a full scale nuclear war starts, it will have far reaching consequence.

**Conclusion:** Hence, nuclear challenges are imposing higher threats on global peace in this ~~tempo~~ contemporary world.
