Q) What does Pakistan need the most: Charter of Economy or Charter of Democracy?

Outline:

Thesis is 2 main points of outline MUST contain keywords of topic

1) Introduction:

understanding of topic is clear but its execution is not

Thesis statement: Since its inception, Pakistan has been exposed to multifarious economic and democratic crisis. Despite both issues having significant consequences, it is the democratic crisis that has proven to be more severe. By ameliorating the democratic predicament, the country can be set on the path of prosperity.

2) The importance of Charter of Economy and Charter of Democracy for Pakistan.

3) Charter of Democracy is indispensable for a thriving Pakistan

that is a pre-requisite for

a) Ensures Political stability in the country etc stabil

b) Ensure Military interventions are nipped in the bud

c) foster transparency in governance \rightarrow S O?

d) long-term projects and targets are properly seen through.

e) Ensure rule of law prevails

add more subpoints to the variable (economy or democracy) which you support

4) The necessity of charter of Economy cannot be overlooked either

a) The country requires economic stability more than political stability → why? That is the Q

b) Despite no direct military interventions, the top brass will continue to pull strings → why? So?

c) Long-term projects require funds more than they require political stability

d) Encourage transparency of public funds → why?

e) Strong economic environment enhances business opportunities and foreign investment.

5) The necessity of charter of Democracy outweighs the need of charter of Economy

a) Political stability ~~can set~~ the tone for economic prosperity ✓

b) By strengthening political institutions, political engineering can be foiled ✓

c) Rule of law and accountability prevails in a strong democratic environment ✓

d) Large scale development is only possible in a politically stable country ✓

e) Long-term policies can be devised to attract foreign investment and inflame business and employment prospects ✓

6) Conclusion

prove that one charter is needed most by Pakistan by outlining the reasons or impacts it will have on Pakistan clearly

more than the other
