

Title:- Oracles :- Voice of Greek gods

In ancient Greece, when Human beings found themselves in difficult situation, they started making comparison between them and vast nature. Owing to this, they wanted to communicate with God. In ancient Greece, Oracles were the way to communicate with God. The Soothsayers uttered these oracles by believing in superstitions. The interpretation of dreams and palmistry were also helpful in this regard. However, sometimes God directly spoke to the human beings through "Divine Mania". Divine Mania was a phase through which prophetess entered a state of ~~ecstasy~~ ecstasy and delivered the message of God to human beings. In ancient Greece, each oracle was associated with gods. Appolo was the soothsayer who delivered message of Zeus.

Grammar seems ok. Do not include examples in precis. Just give their gist without specifying details.

Title:- The impact of climate on the nature of Humanis.

You are allowed to submit only one question in one pdf. The remaining questions may be submitted in separate pdfs.

Temperate countries of northern hemisphere provides a conducive environment for the development of human capabilities. On the contrary, intense ^{cold} climate exhaust human energies to a very low level. Excessive hot weather is also not provide a suitable environment for learning, as human is busy to protect himself from harsh climate. In the neighbourhood of equator, human feel comfortable in the prevailing circumstances. Alike temperate and tropic climates, different seasons have different effect on the development of human capabilities. In winter a lot of efforts are required to utilize mind while in ~~some~~ hot climate a person becomes lazy and cannot do his work in best possible manner.
