

# 1971's Preci

## TITLE: Poetry: An Abstract Record of Events

According to the author, poetry delivers ideas conceptually. It's the polar opposite of self-centered Poetry. Poets had to rely on other people's idea to understand different points of view when writing about public issues. Poets aim to convey their own views, but due to the bring clarity in idea

scope of information, they must rely on other resources. But that makes no difference to Shakespeare. Though it is difficult for him to discover parallels in contemporary events to

Bring more clarity in prec

Again idea is not clear compare with him. Poets on the other hand, provide more detail. Historians sometimes attempt to depict the compromise between two extremes.

This is especially true in political poetry.
