Sub-heading

Nuclear challenge to world peace during 21st century.

Topic Sentence

In today's modern era, world peace is greatly threatened by nuclear challenge.

Explanatory Sentence

There is a significant increase in the number of nuclear warheads over the course of time worldwide.

Supporting point (1)

Relevance to world peace?

Powerful countries like US and Russia are on the frontline of acquiring nuclear weapons, followed by nuclear aspirants like Iran and Saudi Arabia.

Example (1)

The total number of warheads reach to over 12,500 globally. Almost 90 percent of them belong to US and Russia.

do not write website address

(Arms Control Association, [armscontrol.org/factsheet/Nuclear-weapons-who-gets-what](https://www.armscontrol.org/factsheet/Nuclear-weapons-who-gets-what), June 2023)

Conclusion

Thus, world peace ^{is} under severe nuclear challenge, ~~as~~ if a war starts, no one will be left behind

Remain unscathed
