

Mashaal

Topic: Muslims are jobless in western nations

Topic Sentence:

Muslims are facing discrimination while getting jobs in western countries.

Explanatory or Reasoning sentence:

Islamophobia, racism and discrimination is surging very fast in western countries, which creates hindrance for muslims in economic sphere.

Supporting point one:

This discrimination leads unemployment and poverty among muslims families. They are highly depending on whites for jobs.

Example: As per statement of Professor Stevenson, only 19.8% of muslims aged between 16 to 17 are full time job ^{employed} compared ^{to} ~~with~~ 34% of total population.

Conclusion:

Islamophobia is rising in western countries, which creates obstructions in all spheres of life - specially in economic sphere.
