

Pakistani Youth : Children of a lesser God.

The youth of Pakistan are actually the children of a lesser God, especially after the tragic incident happened in Greece. Thousands of Pakistani's entered in Europe through illegal way in order to achieve a better lifestyle after spending millions of rupees, but in return they, in many cases, lost their lives. The lack of opportunities in Pakistan make youngsters to do a lot of hardwork or to take severe risks as compare to youngsters of other developed countries. to live a normal respectful life. "27 years old Kashif, who had left Sialkot for study, was also among victims who lost their lives" (Dawn, June 2023). Regrettably, Greece tragedy uncovers the pain and difficulties of Pakistani youth that makes them a children of a lesser God.
