(Essential Responsibility of Educators and Educational Institutions)

⇒ Love and kindness are the essential part of Contemporary man. Emphatic Capacity is an imperative instrument of Social morality and responsibility. providing well-trained and sensible man is an obstacle to educators and institutions.

Earlier, Church and religion were to be considered as the Custodian. Nevertheless, it failed to complete the responsibility which resultantly increased irrelevant theological rhetoric. Moreover, sensible men have no time to address issue of Social morality and they have simplest guidance that morality is power and power is morality. Therefore, it circumscribed nuclear devastation. As humans are required love, kind and integrity, educators and institutions have capability of functioning human intelligence.
