Subject: Law and order problem

Respected Sir,

With due respect, I am writing this letter for the circumstances of my area where I have been living since 1998. This area is located near the Johar Town bus stand. It is suffering numerous law and order situation now a days. After 9 PM, many suspected persons come into the area and start loot and plunder in the home of people.

Besides, rape cases are increasing day by day in this area. Due to this situation, girls are not able to go to school

and universities. Therefore, there's people especially women are illiterate. Moreover, at night time, only one policeman standing at bus station for duty.

owing to these draconian conditions, our area's people request to the incharge of police station that the number of policeman should be increased in our area for patrolling.

I would request to you that you should visit in my area. I hope for positive reaction.

Thanks.

Yours obediently,
