Subject: "About the traffic mess on city road."

Respected Sir,

on behalf of the residents and merchants of my locality, I would like to draw ^{tho} your attention towards the key problems of our area. Due to bad condition of road, there is clamor of traffic all the day. Even pedestriants cannot move from one place to another place owing to heavy rush of vehicles. There is no traffic signal erected and not appointed a single constable for controle the traffic rush.

Due to chaotic situation of this area, pollution is also increasing there day by day. Moreover, contaminated water and polluted water are nurturing different diseases.

Therefore, I request you that you and your team members visit this area with sincerely. Whether you erect a traffic signal or appoint a constable

there for reducing these problems. I hope
that you will take a positive reaction to
handle the chaotic situation of my area.
Thanks in anticipation.

Yours sincerely,

X-Y-Z.
