I feel issue in writing Thesis-St:

(1) Child Marriages: A serious Human Rights Violation
(Expository)

Child marriages is a serious issue of the world. In fact, it is violation of human rights due to socio-economic and personal interest. Resultantly, it impacts the ~~solid~~ sound gesture of the country including political, socio-economic, and cultural. Hence, remedial measures must be taken to address child marriage issue.

(2) Argumentative

Can online education totally replace traditional form of education?

Digital education has wider scope in the world. Despite the great advantage of online learning, traditional form of education is the most preferred due to physical coordination, paper-based method, and group creative skills during traditional class. Therefore, traditional form of education can not be replaced by digital learning.
