Body paragraph.

Youngsters seek opportunities for future.

In fact, every youngster seeks opportunity for his or her better future. Even they are ready to take every sort of risk. Recently, ill-fated vessel has capsized in the Greece sea. They were going to European country illegally for better future, but got failed to reach. Approximately 800 people have sunk in Greece sea. These people belonged to different nationalities, but more than 100 people belong to Pakistan. Their dreams have ^{been} dampled along with losing their lives. Neither Pakistan nor other countries have provided better ~~future~~ opportunities to them.

Therefore, They took wrong step to thrive themselves. To sum up, for getting better future, youngsters usually get take wrong step and risk their lives.
