

Mashaal

Colonization has been Continued

Topic Sentence: Throughout the history, colonialisation has been continued by developed nations in one way or the other.

Explanatory or Response Sentence:

After the signing of the charter of Atlantic, economically giant powers had decided to decolonize the world. But they introduced International Economical System.

Supporting point:

As, they pledged that there would be no more colonialization, they started to provide aids, grants and funds to developing nation. It ~~is~~ is and has been another way to subjugate the nations through international monetary forums.

Example: Pakistan is one of those nations which are going through financial crisis and seeking for 2.3rd bail out package of I.M.F at certain conditions. Pakistan is bound to fulfill those conditionalities.

Conclusion: Despite signing of the Atlantic Charter, domineering powers are using different ways to colonize the world.
