Title: Greek's Soothsayers Connection with Gods

When the difficulties surround human being, when they realize they can't solve it so they need the help of the almighty. ~~who direct them~~ Hence, people of ancient Greece want to know the wish of gods with the help of the soothsayers. Moreover, soothsayers decode the gods message by interpreting different phenomena of the nature. In ancient Greece there were living some prominent soothsayers as well. When god do not give his message in signs then He sends his wishes to his followers through prophet or prophetees; who achieved this rank by overcoming "divine mania". Ancient Greeks oracles operate on the predictions about the future. Apollo - significant oracle of Delphi - gives the message of Zeus - by whom the oldest oracle of Dodona operate - to the Greek.
