If earth does not attract you from
~~its~~ its side, If tears come from your eyes
to the fear of Allah, If concept of hell
creates fear of Allah with you, If you
worship Allah in such a way that do, If
virtue attracts you on its side and
your feet stop in the way of evil then
you are kind. Some people are kind,
some make kind. It is good luck to be
a kind. To make kind is the work
of regular hardship and difficult. It
consumes time and also bear hardships.
