Title : Soothsayers : Decoders of God's Oracles

Precise :

Decoding the signs of God was known as the art of giving oracles, was practiced by the soothsayers in ancient Greece. This practice was common because people in tough times seek guidance of God, who controls the universe and the fate. Hence, soothsayers used differed practices to translate the messages of God by reading different signs given by him. However God did not convey his message through signs only, but also by the direct communications with prophets. ^{Besides this,} ~~Also,~~ each oracle was assigned to the specific God in ancient Greece.

TITLE : OBJECTIVE OF EDUCATION :

FREEDOM OR UTOPIA

Freedom in education of children holds different perspective, based on the psychology of a person. Hence, if a child is provided with a freedom in education. People would expect a sudden improvements and a perfect results from him. Secondly, they believe that the motive of education is only to gain scientific knowledge. However, the real purpose of education is the character building that hardly any institution offers.
