

Topic sentence: There are many threats to females' life because most married people do not use contraceptive devices

There are many threats to females' life because most married people do not use contraceptive devices across the world. Regrettably, In the 21st century, they do not consider it to be an essential thing. As a result, chances of unintended pregnancies increase, which is indeed a great menace to females' life. According to Pakistan Maternal Mortality Survey 2019, Pakistan's maternal mortality ratio (the number of maternal deaths per 100,000 live births) of 186 (it was 276 in 2006-07. In conclusion, the life of married females is in danger in the absence of contraceptive devices.
