## Pakistan and the Future of Kashmir (CSS-2020)

### 1- Introduction

The undwelling cause of Kashmir has been as it since the inception of land of pure on 14th August, 1947 due to ineffective foreign policies of both, the countries i.e Pakistan and India and no interest shows by the world's peace organizations. This cause also has some impacts, such as the lack of peace in the region and the human rights violations in Kashmir. This cause can be resolved by the implementation of UN resolution 1948 and integration of Kashmiri leaders in the policies regarding this cause.

### Current Scenario

#### 2- Causes :

- i) ineffective Foreign policy of Pakistan and India
- ii) Occasion which turned this global issue into bilateral issue.
