

Translation paragraph (past paper 2022)

If the world does not attract you, if the fear of Allah brings tears in your eyes, if the concept of hell creates the fear in you, if you worship Allah the way it should be, if virtue attracts you and your feet stop going on the path of evil then you are ethical. Some are good, some become ethical. It is a good thing to be honorable. It is a process of purification and struggle to become honorable. It takes time and the sufferings have to be bear too.
