

ACADEMIC PARAGRAPH

Sub-heading :- Nuclear challenge to world peace during the 21st century.

Topic Sentence: The danger of the use of nuclear weapons poses a threat to the world peace in the 21st century.

Explanatory Sentence: Amid the Russian Ukraine war the growing tensions between Russia and USA has reached a point where they stopped sharing information about their nuclear arms.

Supporting Point: An agreement known as START was signed between the two countries in April, 2010 to limit their nuclear warheads to 1550. Inspection and monitoring of each other's nukes was allowed until February, 2026.

Example: However in March, 2023, Russia after suspending this treaty with the USA showed its nuclear capability by moving a missile across Siberia; (Vladimir Isachenkov, AP News, March 2023).

Concluding Sentence: Such acts can start a nuclear arms race that can ultimately start a nuclear war.
