

Urdu to English translation:-

If the world does not appeal you, if fear of God brings tears in your eyes, if prospect of hell arises God's fear in you, if you worship Allah in such a way, as should be done, if virtue attracts you and you keep yourself away from wrongdoings, then you are a pious man. Some people are pious, some become pious. It is very fortunate to be pious. To be pious is a constant process of self-control. This process requires time and hardships must be endured.
