) Why Is Maintaining World Peace Not Responsibility	
07 Only Super Powers?	
4.1) Without participation of each country, peace keep	ing
oxganizations cannot xun	
(Case in point: Failure of League of Nations)	
4.2) No country can cope with terrorist outgits with	st
the assistance of the country terrorists tive in	
(Case in point: Death of Osama Bin Laden)	
4.3) Tussle in a bid to gain regional hegemony can	
only be resolved through their mutual conscent of	
countries in conglict	The Party and Pa
(Case in point: Saudi-Iranian Tussle)	
4.4) Nuclear was threat can not be exadicated unles	
the world countries cooperate	
(Case in point: Nuclear threat of North Korea)	
4.5) Climate An Change - an existential threat-requires	
global cooperation	
Case in point: The Billion Tree Tsonami	
4.6) Peacequil coexestence of border sharing states cannot	
be agraised usithout bileteral cooperation	
(Case in point: Indo-Pak conflict on Kashmir)	
4.7) Cooperation and cultural acceptance requires	
mutual agreement at individual level	
(Case in point: Cultural issues between East	
and West)	
4.8) Super poessers have no worthy role until the	

	Points are good but it is only one perspective. Go for an argumentative approach in the clear	
	yes no topics like these. Use thesis, anti-thesis and sealize and sealize	
	their due rightful share to strengthen their	
	nation's economy. (A case study of India's economic growth)	
5)	Recipe to Ensure World Peace as a Global	
	Responsibility Rather than Being the Responsibility 07 Only Super Powers	
	5.1) Role of international organizations to ensure equality and justice	
	5.2) Realization of essence of globalization as a	
	quitque process gos the entire wooded	6
	s.3) Colobal acceptance and suspect gos existing seligions	
	and social cohersion	
ē)	Conclusion
