try to write non personal paragraphs
as you cannot use 1st and 2nd person pronouns

My Favourite Subject

There are many subjects in universities and schools. But, everyone has ^{their} his/h^{er} own personal favourite subject.

Personally, ^{my} my favourite subject from university time is European history, because it takes short time to read and understand.

don't use semi colon here.

and treaties, and agreements e.t.c. Therefore, I managed to take ^{substantial/ adequate} marks - fine marks - in

this subject. It ^{was} is taught by maam - Humara. She has a fine grip on this, thus,

She was an excellent teacher as she had a firm

she takes tests, quizzes. Nevertheless, this is - no doubt - ^{my} my favourite subject. Because

sentence structure

I know I have a gorgeous grip, and keen too, in history subjects:

history about wars, and consequences.

More or less everyone has his favourite subject in which they glamourise themselves. ie. Maths, English e.t.c.
