

Indent the paragraph.

Title needs to be more specific

Manto's literature

- M Manto's work was considered ~~as~~ immoral. ~~He was~~ and branded ~~him~~ as a vulgar by his critics. Despite ~~of~~ criticism, he remained firm to explore dark / harsh realities of life. He tried to explain mysteries of sex, for him human beings are combination of good and bad. He created his bond with his readers on social / moral issues. Dual behaviour of human worried him in different stages of life. His literature does not support vulgarity. Manto: find his self sad like other humans.
