Translation - 2023 Precis Paper

The old man told us about mountain that is on the other side of Jungle where he plants flower whose scent can be recovered. But the mountain is giant and there are many slopes, bushes with thorns and many slopes big rocks which are hindrance in the way. Many people came to reach that mountain and went back. But no one was able to reach that flower. May be this is the reason these are sorrows and hardships in life this world and human beings are in search of that light.
