

General Paragraph

Global Impact of Russia

Ukraine War:

The invasion of Russia on

expression and use of words

Ukraine is very shocking. The

impacts of this war are not

restricted to only one country

in the world. But these are

massive and historic ~~shocking~~ impacts

~~on~~ world-wide. Because, both

countries are fertile with different

natural bounties. ^{after invasion} The ~~time~~ of Russia

~~invaded~~ Ukraine, ^{it} had caused

widespread suffering. The global economy

is still enduring the consequences.

Trade ~~disruption~~ is a major impact that was still recovering from the pandemic. Food stuffs became expensive, which lead to the ~~shortage of different types of food~~.
lead to global food crisis

? As obviously Russia is very fast and on top level in agriculture.

Russia used to exports wheat and sunflower. This was level of comfort for other states market, to have pure natural product ~~at~~ cheaper prices. But because ~~of~~ war, now there is a shortage in ~~these stuffs~~ and the prices ~~become~~ soared.

One of the obnoxious impact of this was is social disintegration of people on international level. Most of the diaspora lost their jobs and ~~returned~~ to their own countries. ~~However,~~ Students' opportunity of scholarships are decreasing. Therefore, most of the countries in

need alot of improvement in basic grammar and sentence structure over all average writing
