

Topic sentence is good but the rest of the paragraph is not properly brainstormed. The sentences are either irrelevant or not properly justified to the topic sentence.

Sub-Heading:

Negative effects of social media on youth.

Topic Sentence:

There are several negative effects of social media usage on youth, chief among which is the waste of time.

If you are using unique expression, make sure it is easy to understand.

This expression is used when you are going to state a worse scenario.

Youth spends every minute on social media that it can spare.

Explanatory Sentence:

It is bad enough that youth are on social media at every possible time they can spare during the day. Social media is used by youth to enhance their own personal profiles.

uses

Relate this to the topic sentence or the succeeding one.

Supporting Point:

Users are always scrolling the futile social media app which is wasting of time. This is making social media a very toxic place to be, people are bullying, abusing and creating controversial content.

How these two points are related?

Evidence:

Studies show that approximately ninety-two percent of youth check social media at least once a day.

Conclusion:

Social media has a huge impact on youth's educational performance and waste of time.
