Democracy and welfare of human.

Precis

The conventional concept of democracy includes the belief in dignity, self motivation, good will and purposeful use of education for the welfare of a man. It also ensures the will of general public. People may reject the old concept of (democracy) cosmology or astronomy in which the definition of democracy was not well defined. The most important feature of democracy is that it provides opportunities to get desired ends.

precis word = 80

passage words = 125

Few grammatical and spelling mistakes. Idea is generally ok. Please include the original passage in the pdf.

The precis should roughly be one third of the original passage.
