

"POVERTY ANYWHERE IS A THREAT TO PROSPERITY EVERYWHERE"

1. INTRODUCTION:

Thesis statement:

Poverty in any part of the world poses a significant threat to global prosperity. It paves the path to crime, social inequity, injustice, health issues and pessimistic approach to every problem. This menace can be countered by addressing the problem of unemployment, uneducation, uncontrolled population and inefficient economic policies.

2. HOW POVERTY ANYWHERE IMPOSES THE REAT TO PROSPERITY EVERYWHERE?

3. FACTORS BEHIND POVERTY ANYWHERE:

- a. Inefficiency of stakeholders to bring economic stability.
- b. Rising economic downturn.
- c. Effete educational institutions producing unintellectual and inefficient human resource.
- d. Gender disparity preventing women to participate in economic race.
- e. Population explosion anywhere overburdens resources.
- f. Accumulation of wealth to selected elite groups.

4. POVERTY ENDANGERS GLOBAL PROSPERITY:

- a. Crime becomes easy way to earn
- b. Poverty prevents children to educate and transform the fate of nation
- c. Prevalence of diaspora to other countries.
- d. Unstandard living conditions leads to health problems across the globe.
- e. It engraves seed of resentment between the rich & the poor.
- f. It leads to focus on social issues only rather than addressing self-progression and self-development.
- g. People loose hope and optimism.

5. PROSPERITY CAN BE SET-UP BY PULLING OUT ROOT CAUSE OF POVERTY:

- a. Macroeconomic reforms to uphold the living conditions of the poor.
- b. Prevalence of Education and Vocational skills without any gender discrimination.
- c. Population Control to alleviate pressure on resources.
- d. ~~Pop~~ Promoting Circulation of wealth across the globe.

6. CONCLUSION:
