

If the world does not attract you towards itself, if tears come to your eyes because of fear of Allah, if the imagination of hell awakes Allah's fear in you, if you worship Allah the way it should be done, if virtue directs you towards itself and your feet stop going to evil way then you are pious. Some are pious and some pretend to be pious. To be pious is a good luck. To become a pious is a process of continuous cleansing and struggle. This consumes time and one has to bear difficulties.
