

Name: Saad Osmani

batch: ISB - 49

Campus: Islamabad Campus

Topic: Work first; fee second

For brave and intellectual men, their work is first and fee is second. It is impossible for rightly trained men to make money the sole objective of their thoughts. Like dinner, for healthy people though may be enjoyed, not principal goal. Similarly soldiers who win battles, clergy preaching and doctors preferred over healing rather than killing and getting paid. Their respective duties are not bound under pretense of payment but rather purpose of work.
