# ( Creation of Pakistan )

Partition of the sub-continent into two independent and sovereign dominions was inevitable due to chaotic and haughtiness design showed by congress throughout the history, especially during congress ministry formation in 1937. Congress attitude towards Muslims of India had been always characterized by biasness, suppression, elimination as a nation and deep-seated prejudice in all walk of life. Movements like Shuddhi, Sangathan, mass contact during 1938, Bandhi-Matram, widiia mandal ~~the~~ scheme and other were all targeted to eradicate the publicity of Muslims and their organisations, and to exterminate Muslims from the surface of India in order to subdue them for good and all. Thus, Muslims not only knew the treacherous design of Hindu, but also amalgomated their

~~action~~ thoughts and actions  
for the achievement of a  
separate homeland.
