

◦ Iran - Pakistan trade ties:

For numerous reasons, specifically geo-political, Pakistan's volume of trade with Iran is very low. Trade ties between Pakistan and Iran have been vibrating because of fearings of Saudi and USA wrath. Pakistan and Iran has ~~for~~ inaugurated sustenance market in Balochistan for enhancing trade relation. It is crucial for both country to enhance balance of payment of countries respectively. The another issue was discussed in such meeting, between Islamabad and Tehran. Gas pipeline for Iran side has achieved; Pakistan, nevertheless, cannot achieved due the sanction on Iran ~~and~~ by USA and Saudi Arabia. Iran may go to court against Pakistan for penalty of \$18 billion. Pakistan's office of affairs stated that "USA should pay this penalty" because it prevented Pakistan to tie with Iran due to sanction. In fact, India trade with Russia due to sanctioned by USA, and Saudi Arabia has started trade with Iran. This is imperative and crucial for Pakistan to start trade for promoting geo-economic ties between them.
