Q1: What is the difference between Human beings' fear of death and children's fear of darkness?

There is no difference between children's fear of death and Human beings' fear of darkness. Children's fear of darkness is due to the stories that they heard about ghosts & thieves, whereas Human beings' fear of death is because of the stories that heard about agony of dying man.

2) What is religious and sacred view of death?

Both are different view of death. If human being commit sins, he will be punish after death. According to sacred view Human being will enter into another world after death. Both, religious and sacred view, have different views and meaning.

3) What are the Painful experiences described by Monks in their books?

According to Aurther, Human being tortures themselves as self-punishment. It may lead the reader to think that if minor pain of world is not bearable, then pain of death must be horrible.

4) What are the views of Seneca about death?

The view of Seneca about death is not different. External factors are reason to increase fear of death. All the ceremonies of death that are performed by human's after death, frighten people more than it would be.

5) What are the factors that make death appear more horrible than it would be otherwise?

There are few factors that make death appear more horrible than it would be otherwise. A dying man heard horrible voices. His body starts shivering.

His face become lifeless. His friends start crying. These are the factors that make death more horrible.

Rewrite following dialogue.

Jack: Hello, Swarup! swatting away as usual.
Come out, man; shut up your old books, and
come and have a game of Tennis.

Swarup: I am sorry I cannot do that, Jack.
The examination is drawing near,
and I want every hour I can get
for study.

Jack: Oh! Hang all examinations! I do not
worry about mine. What is the use
of them, any way?

Swarup: Well, you can't get a degree if you
don't pass the examination; and I have
set my heart on being a graduate.

Jack: And pray what good will graduation
do you? You may get a clerkship
in a government office; but that's
all, and there are hundreds of fellows
who have got their degrees, and are
no nearer getting jobs of any sort.

Swarup: That may be so; but I am not studying
so much to pass my examination and
obtain my degree, as to store my
mind with knowledge and develop my
intellectual faculties.

Jack asked Saravup to close books and come and play tennis. Saravup said that I cannot play tennis because my exams are near. Jack said that I am not worried about my exams, There is no benefit of having a degree because you can only get a clerkship in government office. Saravup replied that I am doing study not only to get degree but to enhance my knowledge as well.

2018:- Reading Comprehension:-

1) Instead of Making machines, our servants the Author says they have become masters. In what sense has this come about?

According to Author, Machines were made to be man's servants but Man are too dependent upon machines that they cannot do anything without them. If machines don't have coal, fuel, petrol, oil, they refuse to work. So Machines are becoming masters instead of servants.

2) Use of machine has brought us more leisure and more energy. But Author says that this has been a curse rather than a blessing. Why?

According to Author, Men are manufacturing more machines. They are totally dependant upon them. Men are doing very little work and all the remaining work is performed by machines. Men are going to be lazy and useless. So, According to Author, it is curse for men.

3) What is meaning of civilization? Do you agree with Author's views?

Civilization means "using technologies". How to do progress using machines rather than man. According to my point-of-view, I am agree with author's view. if a person is totally dependant upon machine, he will not use his skills and become a lazy person.

4) ~~What~~ 'make beautiful thing' what does it means.

Being more civilized, things are being more beautiful. Men live freely, thinks freely and give equal rights between men using machines; Man has more time, chances to do better today than he had ever before.

5) Mention some plans you may have to prevent poverty in the world. Who would receive your most particular attentions and why?

If we do things, like more energy, less fear findings about universe, removing causes of fights between nations, Man can discover methods using machines to prevent poverty.

If we use civilization, we ~~would~~ ^{would} get more attention we would get more power and authority to do better.
