

Title :- Crackdown against PTI supporters

The state has decided not to spare the miscreants, and hundreds of them have been arrested in the crackdown. Khan has likened it to the "Mongolian phase"; some sort of crackdown.

(Original passage words: 79)

IT is quite clear that the state has decided to show no mercy to the PTI or its cadres after the violent events following Imran Khan's short lived arrest last week. Many hundreds of the party's supporters have been rounded up, as the nationwide crackdown against the PTI continues.

Mr Khan has likened the state's reaction to the "Mongolian phase", a reference to the brutal methods applied by the Mongol Empire of antiquity against all those that stood in its way.
