

2- How the world is living together as a global village.

b) Religious ~~Harmony~~ harmony among the countries

The religious harmony connects the world and keeps united. It cannot be ignored, in this modern era. Especially, the time when every religion wants to promote its religion, social, ~~culture and values~~ and culture values. One of the most, institution is the Organization of Islamic conference. For instance, the recent Islamophobia case and the stand of all Islamic countries on the floor of United nation. Moreover, it represents the beautiful picture of religious harmony among the countries. As a result, of which the resolution of Islamophobia passed in the United Nation. In short, the religious harmony connects the world in a proper frame work among the countries.
