Manto became victim of the social duality. His critics claimed a lawsuit against him but he was determined to unfold the bleak realities of life. Like Freud, who explained the strange nature of sex in a clear way to highlight the issues of oppressed. Manto ~~he~~ believed, man is a composition of good and bad. Manto, a realist found fame in society. He presented vulgarity in un-vulgar way. His works depicted true picture of society. In this way he became universal.

Precis - 2023.

Regarding freedom in education, one party advocates full freedom; the second party advocates full authority; but the third party favor freedom, for doing good. The author does not like individualism because he think that co-operation is the main aspect of society. The pro-freedom successful educators have some
