

Paragraph:

"Constitution of Pakistan"

Constitution is considered a Supreme law of above all laws. It was given birth firstly in 1973 by ~~the~~ Z.A Bhutto. And it has been respected by all political leaders - excluding a political entity; Pervez Musharraf and Zia-ul-Haq - and has a quality and probably all aspects of politics regarding country. But, where does constitution lie in this modern age? Pakistan is facing most catastrophic situation of all time. After dissolving the Assemblies former Prime Minister - Imran Khan is suggesting elections but, the government of Pakistan is not serious so. Even Supreme Court of Pakistan has already verdicted that there should be elections under 90 days ~~after~~ anyhow, after dissolving assemblies. As per constitution states - Nevertheless, the both parties are in mid of talks about election date - suggested by Supreme Court of Pakistan.
