Q.NO: Describe the importance and philosophy of Fasting. Also explain its individual and collective benefits?

Ans: Introduction:

### "Philosophy Of Fasting"

Fasting is also called "Roxa", or "Saum". Saum is the third fundamental pillar of Islam and has a structure of an enormously important worship. In Arabic language, the word "Saum" which is translated into English as fasting, means "to stop", "to refrain". In Islamic lexicon, Saum is used for the practice by which man abstains from eating and avoids sexual intercourse from dawn to sunset. It is a source to be nearer to Allah Almighty.

Regarding fasting, Allah Almighty has said in a Hadith-e-Qudsi:

"Fasting is for me and I will give its reward."

The Holy Prophet Muhammad Peace be upon him explained the meaning of fasting in these words:

"There is Charity (Zakat) for everything and Charity of body is fasting."

## Importance of Fasting:

Fasting has a great importance and significance in the Islamic System of worship. Its importance can be gauged from the fact that it is the third pillar of Islam.
