

Is maintaining world peace responsibility of only super powers?

Maintaining

1- Introduction

Thesis statement: World peace requires collective efforts of all states thus it is not just the responsibility of superpower

2- How maintaining world peace is and is not responsibility of only superpowers.

3- World peace is not only the job of superpowers to maintain (Thesis)

a. To maintain peace, spirit of collectivism and multilateralism is required at global level → Why?

b. Emergence of 'Non-Traditional threat'. A case of rising Extremism, ethnonationalism and polarization

c. Shift toward the phenomena of 'Asymmetric warfare'. A case of AI, Disinformation and Nuclear weapon

d. challenge of climate change, overpopulation, food insecurity etc a threat to world peace anywhere

e. Regional states need to resolve long standing disputes bilaterally or by using multilateral forums. A case of UN, EU, OIC, SCO, Arab league etc.

4- World peace is the responsibility of only superpowers to maintain (Antithesis)

a. Superpowers to show leadership role in maintaining world peace. A case of NATO, AUKUS etc

b. Superpower have resources and

Thesis statement is good but make it better by specifying why? Such as 'Being a diverse phenomenon, maintaining world peace requires collective....'
