ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: Monarchy vs. Democracy.)

Topic Sentence	Monarchy and democracy are two major forms of government.
Explanatory or Reasoning sentence	Both these types of governments work for the welfare of the country and people.
Supporting Point (1)	Monarchy is often overlooked as it compared to democracy but it is not necessary to consider it always wrong.
Example (1)	According to a survey in UK in 2023, 58% of Britons think that monarchy is good, 45% think that Britain will have a monarch in 100 years.
SP 2 (optional)	Democracy is looked upon two ways: a voting system and the core values of culture like liberty and peace etc.
Ex 2 (to be written if SP2 is given)	If both are not equal, system will be collapsed. As the alarming conditions from 20th May onwards have disturbed all of us.
Concluding Sentence	In short, in any government, the important thing is masses. Any type of government is good if she is working for the welfare of people.

(No. of words 133)
