Not related to topic sentence rather a new point altogether

A new topic sentence with a different dimension

No nuclear aspect in this example

Supporting point 2	Those countries, who are irresponsible, can become a serious threat to global peace. if they ^{will} attack on any country.
Evidence 2	United States of America's (USA) attack on Hiroshima and Negasaki is a significant example. "By the end of 1945, the bombing had killed an estimated 140,000 people in Hiroshima, and a further 74,000 in Nagasaki." (ICAN)
Conclusion	This shows that nuclear proliferation is a serious threat to world peace during 21st century.

In evidence 1, USA was a victim and in evidence 2, USA is an irresponsible state

Proliferation usually means more countries getting nuclear tech.

Otherwise, Specify in topic sentence you mean that world peace is threatened by irresponsible states and terrorist entities gaining access to nuclear tech
