# Write outline in form of points and headings only

b) In Politics  
Saudi-Iran diplomatic relation just because of negotiation not by power. Initiated by China

## c) In Research

Scientific Method is a structured approach to reasoning that involves making observations of hypothesis, experimentation etc.

## 4 Relationship between Force and Reason :-

a) Police use force to ensure peace when there is dire need then  
~~b) police use force~~

b) Only State can use force  
i - Hobbes' state of Nature

ii - Max Weber suggests that there is a need for violence to be used against citizens periodically by the state in order for sovereignty to ensure order

iii - Nozick (1947) concurs suggesting that the state must claim monopoly on the legitimate use

Literary or a bit embellished language heavy with figures of speech is required in abstract essay

force and ability to punish those who use force illegitimately.

(c) Sir Robert Peel's 9 principles include the necessity to recognize that the use of force by the police is at times necessary. And also recognized that force must be the last resort.

5. Conclusions

# Introduction:

invade militarily which and seen or politically US is afraid and it challenged its hegemony. In 19s when Russia was arising as a great power US attacked

US always put sanctions and ~~invade~~ ~~over~~ on the countries ~~arising~~ economically, socially or politically ~~no above~~ ~~the level~~ being ~~that anyone~~ contain ed. Since 1990s US attacked on North Korea because ~~she~~ ~~is~~ ~~developing~~ and US ~~is~~ afraid of losing ~~its~~ ~~its~~ superiority. ~~The~~ ~~she~~ ~~do~~ not find any reason she ~~are~~ always use force against others. The one who uses force is incapable of reasoning and arguments to justify his stand. He ~~one~~ uses force to be heard. It is as a result of lack of confidence and insecurities. Human is the only animal capable of reasoning although others having the faculty of memory and instructions in common with him. It is also represents the strength and confidence, people use force only when they have no other option and justification for something. The history is full of with false use of forces.

It sounds like an anti US rant without evidence, also it makes the essay look like US oriented while the essay topic and outline are not.

# Attempt of pain

like Nazi from Germany attacked on German people & despite their ideas and beliefs being at odds. Soviet Govt suppressed political dissent. In politics force is also being used to suppress the opposing parties. Many of characters in literature are shown as violent characters.

But the power of reasoning is more than the force in history like Renaissance of Europe. In politics recent Iran-Saudi diplomatic ties

In ~~years~~ research everything found only by reasoning. Reasoning is better than using force. But there are some conditions when use of force is justified. It

is justified for a state to use force against the peace and prosperity of state. Many philosophers justified it. But in

Pakistan higher authorities consider it is their right to use force and coercion against people...

Use paragraph writing

do not give headings in essay

Conclusion:-

In a nut shell, someone uses force only when he have no justification. He afraid Due to lack of ~~tell~~ giving reasons and to convince. people one uses force and forcefully one convince others. It is not justified to use force. except state. A state can use force for its sovereignty, and peace and prosperity. That's why, state make some department who are responsible to ensure peace in country. Therefore, using force is not justified anywhere one can use its brain to solve issues one must have to negotiate with other to solve issues not the force. State can only use force when it is inevitable to ensure peace in country.
