ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: Nuclear challenge to world peace during the 21st century)

| | |
|---|--|
| Topic Sentence | Existence of nuclear weapons posing threat to world peace which is the biggest challenge. |
| Explanatory or Reasoning sentence <i>Contradictory</i> | Nuclear weapons promote strategic stability and prevent large scale wars but simultaneously allow for more low intensity conflicts. |
| Supporting Point (1) | Nuclear weapons don't keep peace. History shows that existence of nuclear weapons has done nothing to prevent the many terrible conflicts. If one state has nuclear weapons and its opponents do not, then there is greater chance of war. |
| Example (1) | The 2022 Russian invasion of Ukraine highlights how any of the 9 nuclear-armed states can threaten or use nuclear weapons to limit the capacity of other states to respond. (www.icanw.org, ICAN, 2022) |
| SP 2 (optional) | <i>Attempt again</i> |
| Ex 2 (to be written if SP2 is given) | |
| Concluding Sentence | Therefore, use of nuclear weapons creating threat to world peace in 21st century. |
