

title is written at the top not the end  
and it is not a sentence like your title it is 3 4 words  
catchy phrase

(6) =

~~Previs 2014~~

The only safe way of survival for modern human intelligence is to train their love and social sympathy. It will make him responsible and moral. ~~It is essential because~~ ~~due to failure of clergy men~~ ~~developing moral sensitive intelligence of man~~ ~~and thus flourish the desire for wealth and power.~~ ~~Secondly~~ the upper class of society has no time and interest for solving the social problems. They desire and struggle only for ~~rule~~. This will increase ~~boostup~~ chances for nuclear destructions. These fore educators and educating institutes must ~~crave~~ ~~write~~ a way for training the sensitive intelligence of man. Although it is a challenge for them to assure love and secure kindness of humanity.

Incoherent sentence and it makes no sense
