

If all religions teach peace, why can't peace be achieved?

## Outline

### 1- Introduction

**Thesis statement:** No doubt, all religions teach peace, but achievement of peace is still illusion. There are some reasons which threaten peace, including nationalism, extremism, misinterpretation of religions etc. However, with potential strategies peace can be achieved as thought by all religions.

### 2- Religion is the name of peace: An overview

### 3- All religions teach peace of the world
