

"Palestine Israel War"

These are several Muslim Arab Countries in the world, which are living in peace and prosperity. Among them Palestine was one. However, 100 years ago the British foreign Secretary "Arthur Balfour" wrote a letter to the head of Jewish Community. The letter was short - 67 words - but very seismic and effected for Palestine. It committed to the British government "the establishment of Palestine nation home for Jewish Peoples" and facilitate the achievements to get it. This letter was known as "Balfour Declaration". The Europe promised, and handed over the Palestine to Jewish Settlers. In 1936 Arab National League called for general strike in Palestine and boycott the Israeli products. The British repressed the Campaign and launched arrestment for Palestinians. And today Israel is implementing same strategy. Moreover Alternatively, Palestinians face several problems. However, by the 1947 the Jewish got 33% of the population and 6% of the land. Further -

more, the United nation passed resolution 181, ^{on} the partition of Palestine into Arab and Jewish states. The Palestine rejected the plan because it allocated 55% of population. Similarly, several events happened. In the current situation of Palestine, and Israel, the political group of Palestine attacked on Israel on 7, October 2023. The group of "Hamas" forces attacked on Israel by South borders and with several ways. Furthermore, the war between states is still continued. However, Israeli forces have crossed the ^{limits of} humanitarian limits. In the current situation the United failed to pass resolutions for ceasefire, and the Arab states have no tactic to abandon the war. Moreover the Pakistan also spoke in UN for ceasefire and playing vital role to stop the war. Between Arab nation and Jewish nation.
