Smuggling is a big source of the downturn of the economy of Pakistan. Many people are taxavoiders they are not willing to pay any kind of Tax. They try their best to avoid tax as far as possible. Government should make a strict law against smuggling and reform the custom department. Unfortunately some officers help these smugglers secretly in custom department. Some smugglers have business to purchase petrol and diesel at low rate from Iran and they transport that petrol and diesel from Iran to Pakistan. Government should look after these suspected smugglers and install the cameras on their ~~roads~~ ways to curb.

# General Assignment

Tourism is a good source for revenue for some countries and Pakistan is one of these countries. Tourism plays its role in the progress of Pakistan. But it needs of the time that Pakistani government should pay attention towards it. Now it is time tourists are avoiding to come to Pakistan because they feel insecure themselves in Pakistan. It has been seen many times tourists were harassed by its citizens and no action was taken against the offenders. Recently the incident of Jaranwala occurred in Pakistan it has terrified the foreigners not to come in Pakistan. Government should make a good strategy to stop these offences.

I heard the news Israeli minister gave a statement in his Parliament that Israel should drop an atomic missile on the Palestine so that all Palestinian die and their homes devastated forever. Now the question is this where is U.S.A and other western countries who always campaign against an atomic weapons. Now these countries should come forward and take a notice against Israel which is threatening the Palestine. They will not come forward because Israel is their illegitimate child. Actually western countries are hypocrite countries in this world.

Reasons of Garamwala Incident  
is the failure of enforcing agencies when do. Police discovers that a serious offence of blasphemy has committed they should have arrested main culprit and investigate the matter upto depth. According to the writer someone has misused the picture of a christian person. He pasted the picture on the paper and wrote some hatred words about the Holy Quran and fell these pages ~~in~~ before ~~the~~ christian person's door. when did someone see ~~the~~ these pages he disclosed to other muslims. one muslim person ~~declared~~ it in mosque and invited other muslims. muslims

should have investigated the matter and find out the main accused. Unfortunately Muslims selected the way of violence and as consequence of it there were 2 main losses. one loss was this there was no idea who did this blasphemy and was this Pakistan was criticized at international level. Now solution is this to stop blasphemy and violence. Government should make strict laws against blasphemy and punish these accused strictly so that no one dares to do such acts next time.

Israel is a country which is in the middle east. It lies with the border of Palestine. The area which is under the control of Israel now it was the part of Palestine. In the beginning few Jewish people came in this area to settle. Actually western countries conspired to settle the Jewish people in the area of Palestine. When did Jewish people came they were provided aid and security. At last they occupied the area of Palestine gradually. Afterwards their wish was to eject the Palestinian people from this holy place they started their efforts.

According to someone's information Palestine has attacked Israel. Palestine has fired many missiles at Israel. It is hope Israel has faced a lot of damage. Political leader of Israel tweeted and he said in his tweet Israel was attacked by Hamas - and the world was silent. If Israel attacked Palestine entire world would speak. But reality is this Israel has seized the area of Palestine and now it has become a big country. In spite of all it Israel attacks Palestine mostly that is why Palestine took a revenge today.
