## Topic: The Oracle of Greek Gods.

The fear of men by the mysteries of universe inclined them towards God. God was believed to be Supreme and guider.

In Greece, the practiced soothsayer decided guidelines by giving oracles. They interpreted these oracles as sign of sacrifices they made. Mostly, the God manifest himself to faithful in ecstasy state. From then, they became messenger of God. The oracles were practiced to forecast the future.

Each oracle was related to God. Appolo, the god, was famous for delivering decisions from Zeus. The most important one was delivered at Delphi by Zeus.
