

ESSAY:

IF WINTER COMES CAN SPRING BE FAR BEHIND

OUTLINE:

① Introduction:

Thesis: life is full of vicissitudes. If winter has come, spring will surely follow. It's a universal phenomena, light sparks in the darkness. one must be optimistic and highly motivated instead of being devulging in negativity.

② Interpretation of 'if winter comes can spring be far behind'

③ Examining the origin of the Quote:

(a) 'ode to the west wind poem' written by Percy Bysshe Shelly

(b) Shelly, an optimist despite being in the gloomy days

(c) Believer of the glorious future.

④ Winter and Spring in different aspects.

(a) The hardship and resilience of a person

- Nelson Mandela's fight against Apartheid system

(b) Highlights communities resilience during crisis

- Historical events where societies faced adversity and eventually recovered.

(c) The struggle of nation and the hope for better days

- Economic down-turns and subsequent recoveries

⑤ Why winter symbolizes difficulty and challenges:

- ① Winter depicts harshness of weather; where leaves fall down
- ② Absence of warmth and long winter nights followed by darkness and silence depicts the sadness and loneliness
- ③ Enormity of task bogs down the weak in winter

⑥ Spring as Hope:

- ① No winter lasts forever, no spring skips its turn.
- ② Hope motivates individuals and societies to preserve.

⑦ Conclusion:
